CATDISK 6.21

<https://vetusware.com/download/CATDISK%206.21/?id=17004>

Disk catalog system also does ARC/PAK/ZIP/LBR

DPROTECT 1.00

<https://vetusware.com/download/DPROTECT%201.00/?id=17003>

DPROTECT may be used to write protect one or more diskettes and all fixed disks from Trojan Horse programs. DPROTECT may not be able of protecting any ram disk or external drives which do not resemble a standard IBM floppy disk or hard disk drive.
