Jesus Christ.

Honours to my real mom Huong Thi Vu
Honours to my real dad Nguyen Binh Thuy

Love to my real sister Nguyen Khoa Thi
Love to my real sister Nguyen Khoa Thuyen

Content:

Lode Runner! What a classic. Unfortunately it seems to be a port from Atari-2600 back in the days. The game seems to need a controller? However it seems everything is there. The speed can be controlled in DOS box 0.74, but it's not playable other than a preview of the real game. I'd recommend the Atari-2600 Lode Runner if you can still get your hand on it. Otherwise this is a classic remake that might work on other people's computers.

Thank you God and what a great ending Christmas 2015 season and beginning New Years 2016!
Bless my mom for the rest of my life after Jesus Christ!!!!!!!!!!!!!!
