Hello everybody!

1994 i wrote a program to help me for create c-source in MSVC 1.52.
Last change 2006.
Now i want to public it. I think that vetusware.org is a good place to
do it.
Sorry but i wrote the program in german language. But i hope that anyone can
use it despite this.
ASKI13 is freeware!
No warranty if you use it.
Tell me your experience with it. Source code on request.
