Hunmin Office 2000 7.1.3.265 (KO)

<https://vetusware.com/download/Hunmin%20Office%202000%207.1.3.265%20KO/?id=17125>

Hunmin Office 2000 was developed and distributed by Samsung Electronics in 1999. This copy is a bundle edition and was included with newly purchased PC. This software is in ISO format and contains Hunmin Word 2000(like Microsoft Word) and Hunmin Sheet 2000(like Microsoft Excel).
