### Styx

<http://vetusware.com/download/Styx/?id=12275>

Wasn't able to play in Dosbox, just for archive. Your task is to make a border around a bunch of sticks which are moving around. When you enclose 80% of the area you move on to the next level.

### Trivial Pursuit Deluxe

<http://vetusware.com/download/Trivial%20Pursuit%20Deluxe/?id=12277>

Based on the board game, can be fun but also "annoying".

### Voodoo Island

<http://vetusware.com/download/Voodoo%20Island/?id=12273>

Adventure, interactive fiction in text mode.
