1997. Quatro anos antes da Bungie lançar o primeiro game de sua série de maior sucesso; Halo: Combat Evolved, série que perdura até os dias de hoje e com toda a certeza perdurará por ainda mais tempo. Nesse ano, a empresa lançou o primeiro game de uma série de RTT (Real Time Tactics) que durou até o mesmo ano do lançamento de Halo. Esse game era Myth: The Fallen Lords.

NetMail DOS 2.12

NetMail DOS is a mail program for Internet email. It supports the standard SMTP/POP3 protocols, and provides a low-level interface to email, making this program ideal for mail-bots and gateways. NetMail DOS provides flood protection, too, protecting from mail bombs. There is also a daemon mode that checks mail regularly, and exits on new mail.
