Hello!

I am looking for old Geometra 3D Pro software(<http://www.geometra-3d.com/>) from AEA

Technology unfortunately web archive has not correctly saved the downloads

(<http://www.geometra-3d.com/geometra.zip>

or <http://www.geometra-3d.com:80/download/geomf11b.exe>) so not possible to download it anymore. Any idea where to look elsewhere?
