Peachtree Crystal Accounting 5.0 Batch C7 for Windows

<https://vetusware.com/download/Peachtree%20Crystal%20Accounting%205.0%20Batch%20C7%20for%20Windows/?id=17773>

Peachtree "Crystal Accounting" was Peachtree Software's first accounting package for Microsoft Windows. Crystal Accounting was, in fact, an enhanced version of Bookkeeping by Design for Windows from the company Accounting By Design. It effectively served as a boring-looking but fully functional placeholder product until Peachtree Software shipped a completely revamped Windows product.
