Plumo on the Farm Canadian Edition

<https://vetusware.com/download/Plumo%20on%20the%20Farm%20Canadian%20Edition/?id=18340>

Early Learning CD-ROM for Windows 95 and Classic Mac OS (68020 Macintosh), imaged using ImgBurn 2.5.8.0 on Windows 10. My copy came from an elementary school in the Ontario region of Canada. Plays in either English and French. Runs entirely off of the CD-ROM, making it accessible to the little ones with no installation required, and will work on most modern systems up to Mac OS X 10.4.11 (PowerPC Mac with Classic Environment) and on PC's running Windows 10 64-bit.
