Starry Night Backyard 3.1

<http://vetusware.com/download/Starry%20Night%20Backyard%203.1/?id=12570>

Astronomy. Renders the sky, objects and horizon in a realistic way, magnifies (zooming to) interesting objects, depicts classical constellations, etc. Uses QuickTime.

WordUp Graphics Toolkit for Windows 95 2.0

<http://vetusware.com/download/WordUp%20Graphics%20Toolkit%20for%20Windows%2095%202.0/?id=12573>

This archive contains the final registered version of WGT 95 for Watcom C and MSVC and the complete source code. This product is no longer for sale and this archive may be distributed freely. Please disregard any order forms and licenses contained within this archive. The GNU Library General Public License is the only license in affect now and it is contained in license.txt. You should note that the source code has been updated to the latest Directdraw version however the examples have not. Therefore the example included will not work properly without some modifications. This source code and product is no longer supported, however in case you need to contact the author (Chris Egerter) you can reach me at powerrender@home.com, or visit my website at <http://www.egerter.com>.
