CUPS Quantum Mechanics SETUP DISK John Wiley & Sons, INC

http://vetusware.com/download/CUPS%20Quantum%20Mechanics%20SETUP%20DISK%20John%20Wiley%20_%20Sons_%20INC/?id=13041

On the version uploaded before, all the files have been extracted and installed in one folder. This was confusing to some people. This version is how it actually appears on the floppy disk, simply run the setup program and there should be no further trouble. Have fun
